

road right now run on oil and gas, and fulfilling your promise—your promise—that you are going to get rid of fossil fuels right now by making it harder to do pipelines, harder to get capital, harder to do permitting, and more complicated regulations is causing this mess. Thirty years from now, we may all be driving electric vehicles—great. We don't today. Today, we need solutions for how we are going to move in the country. That involves increasing supply. That will get down inflation. That will help us as a nation.

With that, I yield the floor.
